

Dear Parents,

It is with great excitement that we get to share with you that we are able to go on a Field Trip this year. Mr. Lame and I have decided to go to Living History Farms on Thursday, May 13. Unfortunately we will not be able to take any parents this day. We will have plenty of school staff with us as chaperones.

We have been studying family histories and American history in Social Studies so this will be an exciting end to those units.

We will leave the school after students eat their breakfast so around 8:15. They will be provided a school lunch to eat. We will then load the bus around 2:00 so that we are back to the school before everyone is dismissed.

After such an unusual and complicated year we are excited that we get to celebrate with our students by going on this field trip.

Thank you again for all of your support this year and helping us to make this final celebration of the year a success.
