

Dear Parents,

It is with great excitement that I get to share with you that we are able to go on a Field Trip this year. Mrs. Halls and I have decided to go to the Zoo on May 7. Unfortunately we will not be able to take any parents this day.

We have been doing research on different animals for the last couple of weeks and are excited to be able to see the animals we have learned about in person.

We will leave the school after students eat their breakfast so between 8 and 8:15. They will be provided a school lunch to eat at the park across from the Zoo. We will then load the bus around 2:00 so that we are back to the school before everyone is dismissed.

After such an unusual and complicated year we are excited that we get to celebrate with our students by going on this field trip.

Thank you again for all of your support this year and helping us to make this final celebration of the year a success.
