Application Questionnaire

On a separate page please answer the following questions:

1. Why are you pursuing a career in agriculture, and how do you see safety playing a role in the work you hope to do?
2. Describe a situation (work, school, family operation, or community) where you noticed a safety risk. What action did you take-or wish you had taken-and what did you learn from it?
3. How do you hope to contribute to a safer agricultural industry through your future career?
4. Briefly describe one community service activity, volunteer work, or service-based leadership you have participated in. How has this experience shaped your understanding of responsibility, serving others, or safety within a community?
